

## Food and Nutrition SNAP Benefits

SNAP stands for the Supplemental Nutrition Assistance Program (formerly called Food Stamps). Eligible families get a debit-like card to use at the grocery store, farmer's markets, and other food outlets.

## How do I apply?

To find out if you are eligible for Idaho's SNAP program, call us at 1-855-289-1427, and let the worker know that you were referred by a MAXIMUS partner.

## Employment & Training Program

Once you receive SNAP benefits, you can receive work supports from MAXIMUS. This includes transportation assistance, specialty equipment, and interview preparation. You will also have access to your own personal Career Coach!

## What happens next?

After you have been approved for SNAP, you will receive an email from your Career Coach. The email will include your standard work plan that will match the activities tied to your current program with our partners. From there, you'll receive additional information about available work supports.

**WE LOOK FORWARD TO WORKING WITH YOU!**
